

# Mr. Motherfucker

## Frankenstein Drag Queens from Planet 13

Fuck you get out my face  
White trash straight from outerspace  
Kick the shit right out of you  
Leave you in the rear view  
I've told you once before, you're gonna piss me off  
But after tonight, the world's gonna know my name  
And then they'll call me

Mr. Motherfucker  
Mr. Motherfucker  
Mr. Motherfucker  
Mr. Motherfucker  
Mr. Motherfucker  
Mr. Motherfucker  
Mr. Motherfucker  
Mr. Motherfucker

Punch you in the fucking face  
It just makes me feel great  
And I don't give a goddamn  
That's the way I am  
There's nothing left to say but fuck you anyway  
And after tonight, the world's gonna know my name  
Then they'll call me

Mr. Motherfucker  
Mr. Motherfucker  
Mr. Motherfucker  
Mr. Motherfucker  
Mr. Motherfucker  
Mr. Motherfucker  
Mr. Motherfucker  
Mr. Motherfucker

There's nothing left to say but fuck you anyway  
And after tonight, the world's gonna know my name  
Then they'll call me

Mr. Motherfucker  
Mr. Motherfucker  
Mr. Motherfucker  
Mr. Motherfucker  
Mr. Motherfucker  
Mr. Motherfucker  
Mr. Motherfucker  
Mr. Motherfucker
