

Mr. Motherfucker

Frankenstein Drag Queens from Planet 13

Fuck you get out my face
White trash straight from outerspace
Kick the shit right out of you
Leave you in the rear view
I've told you once before, you're gonna piss me off
But after tonight, the world's gonna know my name
And then they'll call me

Mr. Motherfucker
Mr. Motherfucker
Mr. Motherfucker
Mr. Motherfucker
Mr. Motherfucker
Mr. Motherfucker
Mr. Motherfucker
Mr. Motherfucker

Punch you in the fucking face
It just makes me feel great
And I don't give a goddamn
That's the way I am
There's nothing left to say but fuck you anyway
And after tonight, the world's gonna know my name
Then they'll call me

Mr. Motherfucker
Mr. Motherfucker
Mr. Motherfucker
Mr. Motherfucker
Mr. Motherfucker
Mr. Motherfucker
Mr. Motherfucker
Mr. Motherfucker

There's nothing left to say but fuck you anyway
And after tonight, the world's gonna know my name
Then they'll call me

Mr. Motherfucker
Mr. Motherfucker
Mr. Motherfucker
Mr. Motherfucker
Mr. Motherfucker
Mr. Motherfucker
Mr. Motherfucker
Mr. Motherfucker
