Frankenstein Drag Queens from Planet 13

Std's don't bother me now
Std's don't bother me
Std's don't bother me now
Std's don't bother me
I'll be dead before to long
Spread my disease and kill them all
I'll be dead before to long
I don't even care at all
Std's don't bother me now
Std's don't bother me
Std's don't bother me now
Std's don't bother me
I'll be dead before to long
Spread my disease and kill them all
I'll be dead before to long
I don't even care at all
