

Scary Song

Frankenstein Drag Queens from Planet 13

There's something underneath your bed
Pull the sheets up over your head
You hear something, what was that?
Boo

Afraid of things that go bump in the night
The candle in the pumpkin is the only light
So get ready for the fright of your life
Yeah

Baby let me sing you a scary song
Put on your halloween mask and sing along
It's a creature feature baby from dusk til dawn
Baby let me sing you a scary song

He walks tall and carries a butcher knife
The boogiemane only wants to take your life
Can't kill him off, he'll just come right back in part two

Baby let me sing you a scary song
Put on your halloween mask and sing along
It's a creature feature baby from dusk til dawn
Baby let me sing you a scary song

Baby let me sing you a scary song
Put on your halloween mask and sing along
It's a creature feature baby from dusk til dawn
Baby let me sing you a scary song.
