

## Scary Song

### Frankenstein Drag Queens from Planet 13

There's something underneath your bed  
Pull the sheets up over your head  
You hear something, what was that?  
Boo

Afraid of things that go bump in the night  
The candle in the pumpkin is the only light  
So get ready for the fright of your life  
Yeah

Baby let me sing you a scary song  
Put on your halloween mask and sing along  
It's a creature feature baby from dusk til dawn  
Baby let me sing you a scary song

He walks tall and carries a butcher knife  
The boogiemer only wants to take your life  
Can't kill him off, he'll just come right back in part two

Baby let me sing you a scary song  
Put on your halloween mask and sing along  
It's a creature feature baby from dusk til dawn  
Baby let me sing you a scary song

Baby let me sing you a scary song  
Put on your halloween mask and sing along  
It's a creature feature baby from dusk til dawn  
Baby let me sing you a scary song.
