

A Perfect Love

Frankie Avalon

Lover, take your
Heart out of cover
Let me help you discover
A perfect love

Look high, there's a
Bright and a blue sky
Don't you know that you
Can't buy a perfect love

Darling
I can promise you always
That your future and always
Will be shiny and bright

Don't hide
Let the sunshine be inside
Let your hopes be at
High tide and far above
