I'll Wait For You

Frankie Avalon

Oh, I know we both are young
And must wait 'til school is through
Oo-oo-oo, oo-oo-oo
I'll wait for you

Oh, I tell my impatient heart There is nothing I can do Oo-oo-oo, oo-oo-oo I'll wait for you

There's one day I dream of The day I can bring My token of true love Your engagement ring I love you

So until the day I'll hear You will say, Yes, I do Oo-oo-oo, oo-oo-oo I'll wait for you

There's one day I dream of The day I can bring My token of true love Your engagement ring I love you

So until the day I'll hear You will say, Yes, I do Oo-oo-oo, oo-oo-oo I'll wait for you
