Hey Venus
Oh Venus
Venus if you will
Please send a little girl for me to thrill
A girl who wants my kisses and my arms
A girl with all the charms of you

Venus make her fair
I love the girl with sunlight in her hair
And take the brightest stars up in the skies
And place them in her eyes for me

Venus goddess of love that you are Surely the things I ask Can't be to great a task

Venus if you do
I promise that I always will be true
I'll give her all the love I have to give
As long as we both shall live

Venus goddess of love that you are Surely the things that I ask Can't be to great a task

Venus if you do
I promise that I always will be true
I'll give her all the love I have to give
As long as we both shall live

Hey Venus Oh Venus Make my wish come true
