

# Being Alive

Frankie Cosmos

being alive  
i see you in everything  
my vocabulary's limited  
but i wanna tell it all to you  
if i could would you want me to?  
bein alive  
if i become a piece of dirt  
for a dollar can i enter your brain?

being alive  
matters quite a bit  
even when you  
feel like shit

being alive  
im collapsing inwardly  
your name strikes a match in me  
after a drum solo i looked up  
craig  
called out to me after  
said  
"maybe see you later?"

being alive  
matters quite a bit  
even when you  
feel like shit

BEING ALIVE!!
