

Dancing

Frankie Cosmos

Dancing like the answer
To a question that I do not
Know the answer to
But maybe you

Dance like the answer
To an ever-changing question
Orange sports car, or religion

I put forty on bump six and I drive
If you saw you would probably die

Dancing like the answer
To an ever-changing question
Whatever, or nothing

I cry more times a day
Than you did in 5 years
You've bought more pairs of jeans
Than you ever shed tears
