

# I'm Fried

Frankie Cosmos

Oh you know I'm fried  
Oh you know I'm fried

I cleared a path for you  
Did you want me to?  
Trying to keep it pure  
Like it was before

So maybe I won't be yours in fully the same way  
But if it's right then maybe I won't turn and walk away  
I just want to know that I would walk away from wrong

(Oh you know I'm fried)  
So maybe I won't be yours in fully the same way  
(Oh you know I'm fried)  
But if it's right then maybe I won't turn and walk away  
I just want to know that I would walk away from wrong
