

# My I Love You

Frankie Cosmos

I do what I have to do  
This is when I say my I love you  
This is when I say my I love you  
I do what I have to do  
This is when I say my I love you  
This is when I say my I love you

And if I die tell the world  
How he talks to me like I've imagined  
How he talks to me like I've imagined  
It all  
It all

If I drop a pea  
You're not here to pick it up for me  
In the kitchen  
I miss him  
Jojo Jojo Jojo Jojo Jojo Jo...

I do what I have to do  
This is when I say my I love you
