## Frankie Goes to Hollywood

The logic of war seems to be if the belligerent can fight, he will fight.

That leaders will not surrender until surrender is academic.

How is a national leader to explain the sacrifice of so much for nothing?

Well, relax I can explain, I don't want to die!

War-huh What is it good for? Absolutely nothing Say it again

War-huh Oh! What is it good for? Absolutely nothing Yeah

War - I despise 'cos it means destruction of innocent life

War - Made us tears, ten thousands of mothers howl,

When their sons out to fight and lose their lives!

I said War-huh, Good God y'all What is it good for?

Absolutely nothing Say it again War- Oh Oh Oh Lord!

What is it good for, Absolutely nothing Listen to me!

War - It aint nothing but a heart breaker War - Friend only to the undertaker

War - It's an enemy of all mankind, The point of war blows your mind,

War has caused unrest among the younger generation,

Induction, then destruction, who wants to die.

War-huh, What is it good for? Absolutely nothing Say it again War-huh

What is it good for? Absolutely nothing Say it say it! War-huh Huh! War-huh Ha!

War - Has shattered many young men's dreams We've got no place for it today

They say we must fight to keep our freedom But Lord knows there's got to be a better way

War-huh Good God! What is it good for? Absolutely nothing Say it Say it

War-huh Oh Oh Oh Lord What is it good for? Absolutely nothing Hallelujah!

War - It aint nothing but a heart breaker War - Friend only to the undertaker

War War War-huh yeah War! War-

huh, What is it good for? Absolutely nothing Say it

War huh, Good God now! What is it good for? Absolutely nothing Say it...

Oh Lord there's got to be a better way Say it again

There's got to be a better way - yeah What is it good for?

War-huh, yeah! What is it good for?
