

# How To Deal

Frankie J

Sometimes a man has to choose  
And do something he doesn't wanna do  
Do I live my life with you as my wife?  
Or do I go on and pursue my lifetime dream?

I gotta do this for me  
'Cuz if I dont I'll probably regret it  
But if I do I'll probably regret it  
How do I cope?

How do you cope when the one you love is with somebody else  
And there's nothin' you can do about it?  
How do you deal with the fact that you had a chance  
But you chose to turn away for your career?

I gotta take it though it's heart breakin'  
It's somethin' that I had to do  
But nobody said that it would hurt so bad  
So how do I live? How do I deal without you?

It's killing me to know that your heart's with me  
But you're with him 'cuz I chose to be in this industry  
Money, shows and hoes come along with luxury and pain  
Is all you see when you think about it

But this is the life that I was given  
So I have to live it to the fullest  
But how do I deal in the meantime  
Without you?

How do you cope when the one you love is with somebody else  
And there's nothin' you can do about it?  
How do you deal with the fact that you had a chance  
But you chose to turn away for your career?

I gotta take it though it's heart breakin'  
It's somethin' that I had to do  
But nobody said that it would hurt so bad  
So how do I live? How do I deal without you?

How do you deal when you can't be with the one you love  
And the one that you love is with somebody else?  
(I don't know, I don't know)  
And what do you do when you know she don't love him  
And she loves me but she just can't stand loving you far away  
(I guess I'm gonna have to just)  
You just deal with it, deal with it  
(I don't want to have to live with it)  
You just deal with it, deal with it  
(No, no, no)  
You just deal with it, deal with it  
(I don't want nobody else loving you)  
You just deal with it, deal with it  
(I don't want nobody else loving me)

How do you cope when the one you love is with somebody else  
And there's nothin' you can do about it?

How do you deal with the fact that you had a chance  
But you chose to turn away for your career?

I gotta take it though it's heart breakin'  
It's somethin' that I had to do  
But nobody said that it would hurt so bad  
So how do I live? How do I deal without you?

How do you cope when the one you love is with somebody else  
And there's nothin' you can do about it?  
How do you deal with the fact that you had a chance  
But you chose to turn away for your career?
