

# Baby, Baby All the Time

Frankie Laine

~~~♪♪♪ ~~~

Once I had a girl,  
As sweet as she could be.  
Once I had a girl,  
And she was right for me.  
Kind of sandy hair,  
Eyes so soft and blue  
That you couldn't help but care  
When she looked at you.  
She called me "baby"...  
"Baby", all the time.

She said, "Baby, can't you see?  
"Baby, understand  
"Baby, you're for me,  
So won't you take my hand?"  
But I pushed her away,  
Wouldn't let her near  
Pushed her far away  
Now I'm wishing I could hear her  
Call me "Baby"...  
"Baby", all the time.

~~~♪♪♪ ~~~

It's so lonely through the day,  
Lonely through the night,  
Lonely, lonely hours  
Without that girl I held so tight.  
Lord, I pray that You  
Will listen to my plea.  
Help her to forgive  
So she'll come back to me,  
And call me "Baby"...  
"Baby", all the time.
