

Black And Blue

Frankie Laine

Cold empty bed springs our heart has lead
Pains in my head feel like old ned
Hey what did i do
to be so black and blue
No joys for me no company
even a mouse seems to run from my house
and all my life through i've been black and
blue
Hay now i am white when i'm deep inside you
baby that don't help my case
honey just because i can't hide what is on my
face
i'm so forlorn
my heart is torn
life is a thorn oh why was i born
what did i do to be so black and blue
Musical interlude
Hay now i am white when i'm deep inside you
baby that don't help my case
honey just because i can't hide what is on my
face
lordy listen to me i'm so forlorn
my heart is torn
life is a thorn oh why was i born
hay what did i do to be so black and blue
