

# Gunslinger

Frankie Laine

Gunslinger, ride on, gunslinger, ride on, gunslinger ride away.

Gunslinger, gunslinger, where do you ride,

What do you fight for today?

When folks need a hand, you're on their side,

Gunslinger ride away.

1. You let someone else be the first one to draw,

On your speed you depend.

And there are times when your gun's the only law,

Fighting to help a friend.

Gunslinger, will you return, or meet your end,

Gunslinger, ride on, gunslinger, ride on, gunslinger ride away.

Gunslinger, gunslinger, where do you ride,

What do you fight for today?

When folks need a hand, you're on their side,

Gunslinger ride away.

2. It's not that you fight for the love of a fight,

You have cause when you do.

But don't forget in the dark and lonely night,

Somebody waits for you.

Gunslinger, don't make her wait the whole night through,

Gunslinger, ride on, gunslinger, ride on, gunslinger ride away.

Gunslinger, ride on, gunslinger, ride on, gunslinger ride away.
