

Lonely Man

Frankie Laine

Backing

(Lonely man lonely man
All alone since time began
Where do you go far do you see
Poor lonely man you are lonelier than we)

Oh no little children
Friends are all around
Flying through the heavens
Walking on the ground

I may be a wonder
But one thing sure I know
I've got friends to greet me any place where I may go
In a sigh in a wonder
Since time began
But if you come with me you'll never be a lonely man

Backing

(Lonely man lonely man
All alone since time began
Stay where you are we're lonely too
Please lonely man may we go along with you)

There way in the tree top talkin' on my way
Birds that send their music
Birds that on the day
Starlight for my candle
And blue sky for my home

Little friendly critters
Goin' with me where I roam
In a sigh in a wonder
Since time began
But if you come with me you'll never be a lonely man

Backing

(Lonely man. Lonely man. Lonely man. Lonely man.)
