## Shine

**Frankie Laine** 

Cause my hair is curly Just because my teeth are pearly Just because I always wear a smile Like to dress up in the latest style Cause I'm glad I'm livin' I take these troubles all with a smile Just because my color's shady, That's the difference, maybe, why they call me Shine, sway your blues'ies. Why don't you shine? Start with your shoes'ies. Shine each place up, make it look like new. Shine your face up, I want to see you wear a smile or two. Why don't you shine your these and thoseies? You'll find everything gonna turn out right fine Folks will shine up to ya' Everybody's gonna howdy doody do-ya' You'll make the whole world shine Oh chocolate drop, that's me... Cause my hair is curly, (man's got curly hair) Now just because my teeth are pearly, (also got pearly teeth) Just because I always wear a smile, (oh keep on smiling) Like to dress us, babe, in the latest style. Cause I'm glad I'm livin' I take these troubles all with a smile Now just because my color's shady (you's a shady baby) That's the difference, maybe, why they call me... Shine away your blues'ies Shine, start with your shoes'ies You'll make the whole world shine
