

## Side By Side

Frankie Laine

See that sun in the morning,  
Peeking over the hill?  
I'll bet you're sure it always has and sure it always  
will.  
That's how I feel about someone,  
How somebody feels about me.  
We're sure we love each other  
That's the way we'll always be.  
Oh, we ain't got a barrel of money,  
Maybe we're ragged and funny  
But we'll travel along  
Singing a song  
Side by side.  
Don't know what's comin' tomorrow  
Maybe it's trouble and sorrow  
But we'll travel the road  
Sharing our load  
Side by side.  
Through all kinds of weather  
What if the sky should fall?  
Just as long as we're together,  
It doesn't matter at all.  
When they've all had their quarrels and parted  
We'll be the same as we started  
Just a-traveling along  
Singing a song  
Side by side.  
We're all hunting for something  
Something we don't know what  
'Cause none of us are satisfied with things we know  
we've got.  
We all forget about moonlight,  
As soon as we've given our vow  
But we'd all be so happy if we'd start and sing right  
now:  
Oh, we ain't got a barrel of money,  
Maybe we're ragged and funny  
But we'll travel along  
Singing a song  
Side by side.  
Don't know what's comin' tomorrow  
Maybe it's trouble and sorrow  
But we'll travel the road  
Sharing our load  
Side by side.
