Stars Fell on Alabama

Frankie Laine

Moonlight and magnolia, starlight in your hair All the world a dream come true Did it really happen, was I really there, was I really there wi th you?

We lived our little drama, we kissed in a field of white And stars fell on Alabama last night I can't forget the glamor, your eyes held a tender light And stars fell on Alabama last night I never planned in my imagination a situation so heavenly A fairy land where no one else could enter And in the center just you and me, dear My heart beat like a hammer, my arms wound around you tight And stars fell on Alabama last night
