

Sugarbush

Frankie Laine

Oh, we never not gonna go home
We won't go, we won't go
Oh, we never not gonna go phone
'Cause mother isn't home
Oh, sugarbush, I love you so
I will never let you go
So, don't you let your mother know
Sugarbush, I love you so
Sugarbush, what can I do
Mother's not so pleased with you
Promise me you will be true
And I'll come along with you
Oh, we never not gonna go home
We won't go, we won't go
Oh, we never not gonna go phone
'Cause mother isn't home
Sugarbush, come dance with me
And let the other fellas be
Just dance the polka merrily
Sugarbush, come dance with me
Oh, we never not gonna go home
We won't go, we won't go
Oh, we never not gonna go phone
'Cause mother isn't home
Oh, chocolate, you are so sweet
Yes, yes you, I'd like to eat
If I do, oh, what a treat
Chocolate, you are so sweet
Oh, sugarbush, I love you so
And I will never let you go
Now, don't you let my mother know
Sugarbush, I love you so
Sugarbush, I love you so
