

The Night

Frankie Valli

Beware of his promise
Believe what I say
Before the night is ending
Be sure of what you're saying

'Cause he paints a pretty picture
And he tells you that he loves you
And he covers you with roses
And he always keeps you dreaming
If he always keeps you dreaming
You won't have a lonely hour
If the day could last forever
You might like your ivory tower

But the night begins to turn your head around
And you know you're gonna lose more than you found
Oh yeah the night begins to turn your head around

Beware of his promise
Believe what I say
Before I go forever
Be sure of what you're saying

Cause the words might come too quickly
If you really think I'm leaving
And goodbye might come too easy
If you really think he loves you
If you really think he loves you
You would give yourself completely
If the day could last forever
You would give yourself completely

But the night begins to turn your head around
And you know you're gonna lose more than you found
Oh yeah the night begins to turn your head around

And the night begins to turn your head around
Oh yeah you know you're gonna lose more than you found
Ma ma ma ma oh the night begins to turn your head around
Yeah yeah yeah yeah and you know you're gonna lose more than you found, oh
