Then You Can Tell Me Goodbye

Frankie Valli

Kiss me each morning for a million years Hold me each evening by your side Tell me you love me for a million years If it don't work out, if it don't work out Then you can tell me goodbye

Sweeten my coffee with a morning kiss Soften my dreams with your sigh After you've loved me for a million years If it don't work out, if it don't work out Then you can tell me goodbye

If you must go I won't grieve If you'll just wait a lifetime before you leave But if you must go I won't say no Just so we can say that we try

Tell me you love me for a million years If it don't work out, if it don't work out Then you can tell me goodbye Then you can tell me goodbye
