## **Cut Me Down**

Frankmusik

Is this how it is We're fighting like kids again, Oh darlin' Is this what we are We scream until it's too far again yeah I can't believe You're loving me With a dagger in your hand And I can't believe I can't be free When this ain't what I planned Planned Baby girl I stick you up But you just cut me down Cut me down Cut me down Cut me down (Bad boy) And girl how I tried to stick you up But you just cut me down Cut me down Cut me down You feel what you want Except the pain that's surrounding me Oh darling You take what you want My soul ain't nothing to you it's free yeah And I won't survive I'm not alive When you're standing in my way And I won't survive I'm empty inside I'm crushed till I can't stay Stay Baby girl I stick you up But you just cut me down Cut me down Cut me down Cut me down (Bad boy) And girl how I tried to stick you up But you just cut me down Cut me down Cut me down You got me wishing I can never turn round I look behind me and I'm leaving your town Let me go go Let me let me go Let me go go Let me let me go

Baby girl I stick you up But you just cut me down Cut me down Cut me down And girl how I tried to stick you up But you just cut me down Cut me down Cut me down
