

## Running

Frankmusik

Let me be, let me be, let me be  
I'm poison can't you see, can't you see, can't you see  
I bet if I'm not free, I'm not free, I'm not free, I'm poison  
can't you see

Let me live, let me live, let me live  
There's nothing I can give, I can give I can give  
I'm out of sympathy, sympathy, sympathy  
I'm poison can't you see

No, what ya don't know, what ya don't know, could hurt ya baby  
X2 yeaah  
Could hurt ya baby

Running, don't ya talk to me  
Running, cause your walking on me  
Let me breathe let me breathe let me breathe  
You want me on my knees, on my knees, on my knees  
Your suffocating me, can't ya see can't ya see  
You want me on my knees, you want me on my knees

Let me live, let me live, let me live  
There's nothing I can give I can give I can give  
I'm out of sympathy, sympathy, sympathy  
I'm poison can't you see, I'm poison can't you see

No, what ya don't know what ya don't know could hurt ya baby  
No what ya don't know what ya don't know could hurt ya baby yea  
ah  
Could hurt ya baby yeaah  
Could hurt ya baby

Running, don't ya talk to me  
Running, cause your walking on me  
Running in circles now  
And I'm running in circles now  
Running, don't ya talk to me  
Running, cause your walking on me
