

Dream Again

Franz Ferdinand

Don't be afraid if
you hear voices
Or feel the sweet air
Spoken upon you
Sometimes the sound
Of a thousand
Whispering words
Of Hope will reassure
Show me the future
Will see u s join together
If the oceans split
Or the mountains sigh Then I
Will keep on dreaming
I live to dream again

Don't be afraid if
you're descending
The deepest despairs
Without a handrail
to guide you
Sometimes the sound
Of a thousand
Whispering words
Can confuse
But when you're sleeping
They shift and
slide together
Bring meaning
To the canyon's cry So I
I keep on dreaming
I live to dream again

Sometimes the sound
Of a thousand
Whispers are where
You live a little fear
But feel the pressure

I feel us dream together
I feel no fear
I feel no fire Oh I
I keep on dreaming
I live to dream again
