

Walk Away

Franz Ferdinand

I swapped my innocence for pride
Crushed the end within my stride
Said I'm strong now I know that I'm a leaver
I love the sound of you walking away, you walking away
Mascara bleeds a blackened tear, oh
And I am cold, yes, I'm cold
But not as cold as you are

I love the sound of you walking away, you walking away
I love the sound of you walking away, walking away, yeah hey

Why don't you walk away?
Why don't you walk away?
Why don't you walk away?
No buildings will fall down
Don't you walk away
No quake will split the ground
Won't you walk away
The sun won't swallow the sky
Won't you walk away?
Statues will not cry
Don't you walk away
Why don't you walk away?
Why don't you walk away?
Why don't you walk away?
Hey

I cannot turn to see those eyes
As apologies may rise
I must be strong and stay an unbeliever
And love the sound of you walking away, you walking away
Mascara bleeds into my eye, oh
And I'm not cold, I am old
At least as old as you are

And as you walk away
Oh, as you walk away
Oh, as you walk away
My headstone crumbles down
As you walk away
The Hollywood winds will howl
As you walk away
The Kremlin's falling
As you walk away
Radio Four is static
As you walk away
Oh, as you walk away
Oh, as you walk away
Oh, as you walk away
Hey

The stab of stiletto
On a silent night
Stalin smiles
Hitler laughs

Churchill claps
Mao Tse Tung on the back
