

## Well That Was Easy

Franz Ferdinand

Well that was easy waiting  
Everything's easy now  
The days are Oh So Normal  
But oh, Hannah  
how I miss you  
Now

I used to lock myself in your bathroom  
Swallowing the codeine kept for your back  
Numb, so numb  
I'd let your words  
Come and come  
So come on -  
Kill me now  
Kill me now  
Kill me now  
Because I'm leaving you now

That was easy, but how I miss you  
Now

I watched you clean the filth off your phone dial  
Swallowing the things your finger picked up  
Tongue, your tongue  
I watched your tongue licking on  
Eeuuw  
So come  
Come on tongue  
Ah, come on tongue  
Kill me now  
Kill me now  
Kill me now  
As I'm leaving you now

That was easy, but how I miss you
