

# You're the Reason I'm Leaving

Franz Ferdinand

Some granite wall  
Numbs our bones, numbs our all  
As we sit on skinny hands  
Nothing to say, nothing at all  
I don't know you and I don't want to  
You're so awkward just like me  
But I don't care

You're the reason I'm leaving

I'd no idea that in four years  
I'd be hanging from a beam  
behind the door of number ten  
Singing fare thee well  
I am leaving  
Yes I leave it all to you

You're the reason I'm leaving

As we ride along under an optimistic sun  
The radio sings that Everybody song by rem  
And Here I Am Fighting Fighting  
Yes I'm Fighting not to cry  
And that's another reason  
Why I oughtta hate you like I do  
Like I do

I'm the reason you're leaving
