She swallow nut, take it up the butt and don't snitch  
She didnt want the information to leak out to niggaz  
That she eats dick and swallows and you can take some pictures  
But one day I caught the hoe all alone at the store

We exchanged numbers, but in her mind she wonders  
Do he know that I could suck a dick up like a plunger

A couple of days went by so I hit the hoe up on the phone  
Ask her could I come and see her while she chillin at her home  
She said cool, so I'm mobbin to her fuckin crib  
I wanted to ask the bitch do she want me to bring her a bib  
Cause I know she finna suck dick thats for sho  
Thirty minutes went by, now I'm knockin at her door  
She let me in then she went and layed back on the couch  
Told me to come sit by her, I guess to put dick in her mouth  
We chilled for a minute, watched a little T.V  
I'm yawin and stretchin, I'm tryin to make sure that she see me  
Before you know she got the rubbin and feelin and uhh..  
I hoping that she got some sexual healin so uhh..  
She grabbed my pants all you heard was an unzip  
She took the dick up out and she rubbed it gentle cross her lips  
I had moves set not knowin that she followed them  
I'm bout to blow of my god the bitch swallowed it
