

Murder Groupie

Freak Kitchen

All those letters of yours make me feel less lonely.
You've simply got to believe you're my one and only.
My puppy eyes will make you take the bait.
If you love me true we'll help set things straight.

Be, be my, be my mur, be my murder, be my murder grew, be my murder groupie. (2x)
Be my murder groupie. (2x)

Your support and affection mean the world to me.
But I need your trust desperately.
That shallow life of yours could stand a thrill.
If you love me then precious, kill you will.

(Be mine)

You want a change; you're feeling stuck.
An easy prey; a sitting duck.
Your existence is healing.
I'll read you like an open book.
If you love me then precious, kill you will!

Be, be my, be my mur, be my murder, be my murder grew, be my murder groupie. (2x)
Be my murder groupie. (2x)

You want a change; you're feeling stuck.
An easy prey; a sitting duck.
Your existence is healing.
I'll read you like an open book.
If you love me then precious, kill you will.

Be, be my, be my mur, be my murder, be my murder grew, be my murder groupie. (4x)
Be my murder groupie! (2x)
