

You think you're so strong  
Living in your outside  
Pathetic aesthetic world  
The pieces of your puzzle  
Fit just right  
Every once in a while  
But when it comes to  
Real life you're kind of weak  
Let's say your strength  
Doesn't fit in to reality  
Let's say your expectations  
Of the growing man  
They're just not for real this time

The truth you're living without  
Has a real good time at your mind  
The truth you're living without  
Push you down and leave you behind

When your pride's so strong  
There's nothing that  
Could break your cage  
Your perspective is "refilled"  
The people you love and  
The city that you were born in  
Their loving ain't endless  
But even though you  
Stand alone with your sins  
The lovely smiles  
Are quite useless

Ugly pain, laughing at your brain  
Driving you insane, driving you insane

The truth you're living without  
Is having a real good time at your mind  
The truth you're living without  
Push you down and leave you behind
