We all come down to the Delhi To play freaky music And check out The vivid scenery

This Danish paper Printed explosive cartoons The Muslim world Took quite seriously

Provocation or Freedom of speech? The shit had hit the fan And there we were

Don't go out there You're oozing Scandinavian Always trust the wisdom Of your local chauffeur

Tandoori stains And teargas jazz No, we're not Danes Teargas jazz

As pragmatic Vikings We kept a low profile The mad were wad As only mad can be

We all come down to the Delhi To play freaky music And check out The vivid scenery

Tandoori stains And teargas jazz No, we're not Danes Teargas jazz
