

Streak of lightning coming down the highway
turn around and watch it go
switch on the lights
put on the highbeams
better find a preacher on the radio

I like to drive at 105
its just how fast i got to go
i got the gears and i got the motor
aint no reason to go slower
and i like the speed i like the motion
i like the rockin machine
i like to drive at 105
better hurry up if you wanna catch me

neon sign flashin by like something in your eye
Elvis on the radio almost makes you cry
falshing lights in the rearview you know
payin many mile step on the gas pull out to pass and leave em f
ar be hind

I like to drive at 105
its just how fast i got to go
i got the gears and i got the motor
aint no reason to go slower
and i like the speed i like the motion
i like the rockin machine
i like to drive at 105
better hurry up if you wanna catch me

you shouldnt ought to done it honey you shouldnt ought to run a
round
but two cant be on the highway darlin and i'M THE ONE THATS OUT
THERE NOW

and i like the speed i like the motion i like the rockin machin
e i like to drive at 105 better hurry up if you wanna catch meb
etter hurry up if you wanna catch me
