

Pretty Good Guy

Fred Eaglesmith

There's a couple old people
That live across the road
So I keep the volume down
On my radio
And all the neighbours say
When I go by
He's a pretty good guy
Hey, I'm registered
In CPR
And if you asked me to
I could fix your car
It's just the way I am
I got a pretty good life
I'm a pretty good guy
Just one good man
All the good ones are gone
Hey, play it again
I like that song
There's a pretty good guy
Coming down the street
And you'd be surprised
He looks a lot like me
Since you've been gone
I've realized
That you were wrong
I'm a pretty good guy
Yeah, you were wrong
I'm a pretty good guy
