I just poured up like four zips
One-double-O like four grips, gangster and you know this
Just took a Vegas trip, Caesar's Palace, stabbing your bitch
Finna go trick off your cheese, pissing off these police
I'm big dope drinking, make sure my eighty-four stinking
Haters can't contest, just K.Y.S., I suicide that Lincoln
Broad day, all day, crack rock in my hallway
I was sixteen serving sixteens off fifteen from Broadway
Hard yay, got a nigga thugging out that UGK tape
Niggas 'bout that shit and we hit our first lick, with a little
deuce deuce and a tre eight
And bitch my pack just hit the mail, I'ma get that scale, I can

Nigga for all this rap shit, these niggas plastic claim they Gs but they ain't

It's Gangsta Gibbs, bitch

It's Rock

Nigga fucked your bitch and left it wetter, mane Staying on my G and about my cheddar, mane Rapper slash feet in the dope game Certified live from the land of the gang bang

Eighty-seven cut, dog Oh no, I ain't got Mercedes Haters out there tryna take me Pop the trunk or pop a crazy Like a barber keeping them extra clippers Drop 'bout eighty, I drive 'em crazy when I deliver Mind your business we living life and just stacking riches Picture me rolling on my phone, scrolling through pussy picture Pussy nigga, you in the way, so just step aside You can't swim with these sharks, you drowning all in your prid We moving with killers in broad day It's a cold world, keeping them heaters on all day All day, oh yeah we riding with them clappers Cause them bitchass niggas praying on us heavy like some pastors And them feds tryna have our phone tapped Like some dirty-ass water out the faucet, out the trap

Jay Rock, Freddie Gibbs, 'bout to kill it, hide your feelings

If you show your hands then we gunning and you finished
