

# I Be On My Grind

Freddie Gibbs

I be on my grind  
I be on my, I be on my, I be on my...at night  
I be on the round, I don't have to dance  
Tell the hoes that I'm on your side  
Tell the hoes that I'm on your side  
Tell the hoes that I'm on your side  
Tell the hoes that I'm on your side  
Tell the hoes that I got that pack  
And if you come with the rappers  
You'll know that I got that sack  
Don't say no names, baby  
If you fuck us, this is the mission if you bite us  
Don't say no names, baby  
If you fuck us, this is the mission if you bite us

I be on my grind  
I be on my, I be on my, I be on my...at night  
I be on the round, I don't have to dance  
Tell the hoes that I'm on your side  
Tell the hoes that I'm on your side  
Tell the hoes that I'm on your side  
Tell the hoes that I'm on your side  
Tell the hoes that I got that pack  
And if you come with the rappers  
You'll know that I got that sack

...Palamino penthouse graduated the rent house  
When the story brothers ...the brothers are trying to get out  
I think you haters got the message that was sent out  
Someone lost something that injured at the speed of light  
It feels so good, I place the gang  
...your Highness, they will attempt it  
Been into the shops and hit the tramps just to ...

I be on my grind  
I be on my, I be on my, I be on my...at night  
I be on the round, I don't have to dance  
Tell the hoes that I'm on your side  
Tell the hoes that I'm on your side  
Tell the hoes that I'm on your side  
Tell the hoes that I'm on your side  
Tell the hoes that I got that pack  
And if you come with the rappers  
You'll know that I got that sack

Mercy with the doors  
I'm not easy as you thought I was  
Bang, dragging ...in this gang, nigga  
Peace, watch and don't change anything nigga  
I'm a bate maker  
...oh, now I fuck you haters  
I took my talents down for that paper  
Push a nigga if it makes sense  
You nigga went for cooking hard in the basement  
To rock the mic and flip the ankle bracelet  
Thanks!

I be on my grind  
I be on my, I be on my, I be on my...at night  
I be on the round, I don't have to dance  
Tell the hoes that I'm on your side  
Tell the hoes that I'm on your side  
Tell the hoes that I'm on your side  
Tell the hoes that I'm on your side  
Tell the hoes that I got that pack  
And if you come with the rappers  
You'll know that I got that sack
