

# Still Livin'

Freddie Gibbs

What you know boy (14x)

I'm still livin like a dope dealer  
And these streets they got no mercy on a broke nigga  
Gangsta Island so all my niggas gang bangers  
Girls come get your cook up  
I came up with the cane slangers  
And I grew up next door to the dopeman  
Chevy red CL coupe clean as a coke can  
DEA been doing surveillance they in the dope van  
Nowadays they pay Walter Payton that's 34 bands  
Yea, I'm still living like a jack boy  
Got your family wrapped up in tape, I'm 'bout the sack boy  
And I heard it ain't where you from it's where you at boy  
Make sure every place that I'm at next to the strap boy  
Killing em, shit from these verses put holes in hearses  
And these truckers need some product to purchase some at their service  
Used to sale my yellow and nextel play for the chirpers  
Ain't no doubt we don't check out CTE they close the curtains

And I'm still, still livin like a dope dealer  
Finger on the trigger I ain't taking shit from no nigga  
Still, I'm still living like a dope boy  
Wrapping up the pack of drugs traffic what you know boy  
And I'm still, still livin like a dope dealer  
Finger on the trigger I ain't taking shit from no nigga  
Still, I'm still living like a dope boy  
Wrapping up the pack of drugs traffic what you know boy

Still cashing at dope check  
Guns a contraband know that  
Street said that I marked for death  
And might be the one to give smoking next  
Might fuck around might beat it down  
That ass round and that throat wet  
You a pussy boy straight cold Tecs  
Got a hundred rounds bitch hold that  
Bitch hold that, bitch hold up  
Bitch know what that 4 bust  
Bought a 14 of that straight hard  
And served every geeker that rolled up  
That straight trap with no raps with me  
OT but they pack with me  
Moonwalking on dope bitch I know real niggas on Jackson street  
25th, 49th, cali kush over night  
Come back to my store dawg to make sure you got your order right  
And my shop might close up so make sure you put your orders in  
Just another day another dollar ducking court again  
Wrapping up the pack of drugs traffic watching out  
Winter summer spring fall nigga shovel snow  
And if I could I'd dig a tunnel straight to Mexico  
Pass me my strap I think the police at my door because I'm
