

# Heavenly Hurt

**Freddie Hart**

Heavenly hurt that's what I feel each time you touch me  
Heavenly hurt it's worth it all to be with you

It's heaven just to have your tender body  
Soft and warm and cuddle close to mine  
The hurt it comes just knowing I can't keep you  
Love you too much to live one day at the time

Heavenly hurt I feel it every time I'm with you  
Heavenly hurt the price I pay for loving you
