

I'm Not Going Hungry

Freddie Hart

I'm not going hungry anymore

Your sweet love's what I've been hungry for
But since we locked our hearts together now my table's set fore
ver

I'm not going hungry anymore

Happiness is where you are and that's all I need to know
I'm gonna plant a tree of love just sit back and watch it grow
I'm giving loving everything I got I'm struck awhile the iron i
s hot

I'm not going hungry anymore

Happiness is where you are...

Oh no I'm not going hungry anymore
