

Love Takes Care Of Me

Freddie Hart

Cause your love takes good care of me yes your love takes good
care of me

And when the rains fall the winds blow and the storm is on the
sea

I'll be safe for your love takes care of me

When life for me gets weary and the sun refuses to shine

I run to the arms of the one I love and there I'll hide

You know just what to do and say you make my life worth while

And when I look into your face I see heaven in your smile

Cause your love takes good care...

I'll be safe for your love takes care of me
