

Misty Blue

Freddie Hart

Oh it's been such a long long time looks like I could get you o
ff my mind

Oh but I can't just the thought of you turns my whole world a m
isty blue

Just the mention of your name turns the flicker into a flame
I think of things that we used to do then my whole world turns
misty blue

I should forget you heaven knows I've tried

But when I said I'm glad we're through my heart knows that I've
lied

Oh it's been such a long long time...

Oh just the thought of you turns my whole world a misty blue
