

## Part Of Me

Freddie Hart

Part of me wants to say that it's all over  
Most of me wants to try it one more time  
Some of me still got undecided  
I wish all of me could just make up my mind

Loving you is always so confusing  
Sometimes it's almost more than I can take  
I wish that I could let you go to blaze  
But I am so afraid it would be a big mistake

You and I that's what we gave each other  
At least that's what my heart thought from the start  
Somehow your love just didn't grow like mine dear  
And now it seems so very far apart  
Part of me wants to say...  
I wish all of me could just make up my mind
