

Two Of A Kind

Freddie Hart

We're two of a kind you and me because we have hearts as fickle
as can be
We pretend to love each other while we searched for someone new
We're two of a kind me and you
We belong together we shouldn't drift apart
For each new love we meet we leave just one more broken heart
As long as we find pleasure we don't care what we do
We're two of a kind me and you

I understand you baby you understand me too
I'm no good for no one else but the same thing goes for you
Now we think that time can change us we'll find a life as true
For two of a kind like me and you
