

# Tasty Love

Freddie Jackson

Ohh girl the way you do me in the morning  
Ohh girl the way you love me all night long  
Work my love around and make it all come down  
You give me that tasty love mmmm girl  
Make it feel so good only you could give me that tasty love, oh yes

Ohh girl you touch a special part of me a part no one else has ever seen  
Ohh girl such a feeling that is so intense I have no defense  
Girl when you look at me I can tell you see right through me  
Cause I loose control of my heart and soul  
Girl when you're next to me your sensitivity inside you gets me yearning

Darling, when its right its right it's alright  
Darling, keep it there right there ooh yeah

Ohh girl the way you do me in the morning  
Ohh girl the way you love me all night long
