

In My Defence

Freddie Mercury

In my defence what is there to say
All the mistakes we made must be faced today
It's not easy now knowing where to start
While the world we love tears itself apart

R: I'm just a singer with a song
How can I try to right the wrong
For just a singer with a melody
I'm caught in between with a fading dream

In my defence what is there to say
We destroy the love it's our way
We never listen enough never face the truth
Then like a passing song love is here and then is gone

R:

Caught in between with a fading dream
Caught in between with a fading dream
Oh what on Earth oh what on Earth
How do I try do we live or die
Oh help me God please help me
