

# Love Making Love

Freddie Mercury

Yeah  
You just say you want out  
Take no more of this kind of love

No talk of romance  
Takin' chances you can't afford  
No more goodbyes  
No tellin' lies  
Leave all the tension  
Leave all the troubles behind

I just love makin' love makin' love  
Making love with you, yeah  
Love makin' love makin' love  
With you  
Love makin' love, love makin' love with you  
Yes I do

It's love makin' love makin' love  
That's all I wanna do, yeah  
With you

Don't get into no bad ways  
'Cos life goes on  
No wedding plans you can't take  
The fight goes on  
Oh secret love affair  
Waiting unawares  
(Ad-libbed lyrics)  
(Ad-libbed lyrics)

I just love makin' love makin' love  
Makin' love with you, girl  
I'm tellin' ya  
Love makin' love makin' love  
Love to you  
Yes I do, I do, I do

When the feeling's just right  
I can reach you from the stars above, yeah  
You know I love makin' love makin' love  
That's all I want to do, yeah, wooh ooh

And they say love is blind  
It's so hard to find  
When you find it you end up just fighting  
There's a weight on your shoulder  
Rain in your hair  
It's someone else who's stealing love  
Give me love, don't leave me life, it's a whole  
Yes it's time, there's no life, there's no lying
