

Love Me Like There's No Tomorrow

Freddie Mercury

You had to kill the conversation, you always had the upper hand,
Got Caught In love and stepped in sinking sand,
you had to go and ruin all our plans
Packed your bags and you're leaving home,
got a one-way ticket and you're all Set to go,
but we only have one more day together, so...

R: Love me like there's no tomorrow,
Hold me in your arms tell me you mean it
This is our last goodbye and very soon it will be over,
but today just love me like there's no tomorrow

I guess we drift alone in separate ways, I don't have all that far to go,
God Knows I learnt to play the lonely man, I've never felt so low in all my life,
we were born to be Just losers, so I guess there's a limit on how far we go,
but we only have one more day Together, so...

R:

Tomorrow God knows just where I'll be,
Tomorrow who knows just what's in store for me
Anything could happen but we only have one more day together, yeah,
Just one more day forever,
Love me like there's no tomorrow,
Hold me in your arms tell me you mean it
This is our last goodbye and very soon it will be over,
but today just love me like there's no tomorrow
Love me like there's no tomorrow,
Hold me in your arms tell me you mean it
This is our last goodbye and very soon it will be over,
but today just love me like there's no tomorrow
