## **Palisades Park**

## **Freddy Cannon**

Last night I took a walk after dark
A swingin' place called Palisades Park
To have some fun and see what I could see
That's where the girls are

I took a ride on a shoot-the-chute
That girl I sat beside was awful cute
And after while she was holdin' hands with me

My heart was flyin' up like a rocket ship Down like a roller coaster Back like a loop-the-loop And around like a merry-go-round

We ate and ate at a hot dog stand We danced around to a rockin' band And when I could, I gave that girl a hug In the tunnel of love

You'll never know how great a kiss can feel When you stop at the top of a Ferris wheel When I fell in love down at Palisades Park

Instrumental with the sound of a roller coaster and the screams of its riders

We ate and ate at a hot dog stand We danced around to a rockin' band And when I could, I gave that girl a hug In the tunnel of love

You'll never know how great a kiss can feel When you stop at the top of a Ferris wheel When I fell in love down at Palisades Park

Down at Palisades Park

You know it's Palisades Park
Down at Palisades Park
